Arin Zingade 0801IT221035

Assignment 3

Fundamental HDFS Commands

```
/assignment3_hdfs_commands$ ./hdfs_commands.sh
==========================================================
  Big Data Assignment 3 - Fundamental HDFS Commands
  Student : Arin Zingade
  Enroll  : 0801IT221035
==========================================================

========================================
Command 1: Create Directory in HDFS
========================================
$ hdfs dfs -mkdir /assignment3_0801IT221035

$ hdfs dfs -ls /
Found 2 items
drwxr-xr-x   - arin-zingade supergroup        0 2026-04-23 01:26 /assignment3_0801IT221035
drwxr-xr-x   - arin-zingade supergroup        0 2026-04-23 01:25 /assignment3_0801IT221035
RE

========================================
Command 2: Upload File to HDFS
========================================
[Created local file: file.txt]
$ hdfs dfs -put file.txt /assignment3_0801IT221035

$ hdfs dfs -ls /assignment3_0801IT221035
Found 1 items
-rw-r--r--   1 arin-zingade supergroup       24 2026-04-23 01:26 /assignment3_0801IT221035/file.
txt

========================================
Command 3: Read File from HDFS (cat)
========================================
$ hdfs dfs -cat /assignment3_0801IT221035/file.txt
Hello Hadoop Assignment

========================================
Command 4: Download File from HDFS
========================================
```

Arin Zingade 0801IT221035

```
==========================================
Command 4: Download File from HDFS
==========================================
$ hdfs dfs -get /assignment3_0801IT221035/file.txt downloaded.txt

[Verifying downloaded file locally with ls:]
-rw-r--r-- 1 arin-zingade arin-zingade 24 Apr 23 01:26 downloaded.txt

[Content of downloaded file:]
Hello Hadoop Assignment

==========================================
Command 5: Delete File from HDFS
==========================================
$ hdfs dfs -rm /assignment3_0801IT221035/file.txt
Deleted /assignment3_0801IT221035/file.txt

[Verifying HDFS directory is now empty:]
$ hdfs dfs -ls /assignment3_0801IT221035

==========================================================
  Assignment 3 Complete! All HDFS commands executed.
==========================================================
```
